

School of Psychology - Timeline for Honours 2026

The following timeline, procedures and due dates will assist in making the honours application or progression process smoother. For further assistance, please feel free to contact the Honours Administrator by emailing psychonours@psy.uq.edu.au.

During September 2025

- Initial progression to 4th-year notification emailed to eligible **UQ** BPsySc (Hons) students (pending any outstanding results).

By 31 October 2025

- BA and BSc Hons Application Due Date – students wanting to undertake the BA (Hons) or BSc (Hons) in Psychology program in 2026 to submit an online application.
- BPsySc (Hons) students are **not** required to apply.

During November 2025

- Conditional/unconditional offers will be sent to successful **UQ** BA and BSc (Hons) applicants.
- Conditional/unconditional offers will be sent to successful **external** BA and BSc (Hons) applicants.

Monday 1 December 2025

- Stream preference and study load survey emailed to BPsySc (Hons) students.
- Stream preference and study load survey emailed to Successful BA/BSc (Hons) applicants.

Wednesday 3 December 2025

- Finalisation of grades for UQ students.

By Sunday 7 December 2025

- BPsySc (Hons) students to respond to progression offer indicating preference of stream and intention to study full-time or part time by completing and submitting online survey.
- Successful BA/BSc applicants to respond to offer via online application centre and complete online survey (link emailed separately) to indicate preference of stream and study load.

Friday 12 December 2025

- Key program information emailed to students including confirmation of stream - (Individual Research **or** Work Integrated Stream)

Monday 15 December 2025

- Enrolment opens for coursework and Thesis for the year (except seminar course)
- **Exceptions** – External BA and BSc Hons applicants that are still to provide final transcripts and UQ BA and BSc Hons applicants yet to meet program requirements due to deferred exams will not be able to enrol until all requirements have been completed.

During January 2026

- Unsuccessful applicants will be notified.
- Supervisor preference form opens and details sent to commencing students. (check emails during January)

February 2026

- Honours supervisor preference information collated, and students and supervisors allocated.
- Compulsory Honours orientation session - check the Starting at UQ website for details.
- Seminar enrolment opens (day after orientation session)

NB: *UQ students in the BPsySc (Hons) program with deferred or supplementary assessment approved for Sem 2 2025 or summer enrolment – you will be considered conditional to progress pending results.*
